

Gemba Walk Workshop

Description:

The 1-Day **Gemba Walk Workshop** is an interactive, hands-on learning experience designed to help participants understand and implement the principles of Lean management through real-world observation and analysis. "Gemba," a Japanese term meaning "the real place," refers to the place where work is done. This workshop will provide attendees with the tools to go to the Gemba, observe processes, engage with employees, and identify opportunities for continuous improvement.

Duration: 1 Day (8 Hours)

Class Size: 12 Max

Target Audience: Sr. Leaders, Managers, Supervisors, Lean Practitioners, Team Leads, Frontline Staff

Pre-requisites: None

Outcomes:

- ✓ **Understand Gemba Walk Principles:** Grasp the core concept of Gemba Walks and their role in Lean management.
- ✓ **Sharpen Observation Skills:** Learn to identify inefficiencies and improvement opportunities through effective observation.
- ✓ **Promote Employee Engagement:** Build skills to collaborate with frontline workers for actionable improvements
